

# SHARE THE SUN REAP THE REWARDS

From saving money to reducing your environmental footprint, here are some of the best reasons to go solar with Northeast Solar. Share these solar benefits with your friends and family and help us make the Pioneer Valley a cleaner, greener place to live.

## **SAVE MONEY**

With electrical savings, cash incentives, annual income from Solar Renewable Energy Credits (SRECs), and Federal and State tax credits, your system will pay for itself in about 4-8 years.

## **HELP THE ENVIRONMENT**

A solar array on your home or business will reduce your carbon footprint and reduce your dependence on fossil fuels.

## **PEACE OF MIND**

Solar panels last for decades. Going solar is a great way to stabilize your long term energy costs while keeping your money right here in the local community.

## **WORKMANSHIP AND EQUIPMENT WARRANTIES**

We offer an above industry-standard 10-year workmanship warranty and our equipment carries comprehensive 25-year industry-standard warranties.

**DON'T HESITATE TO CALL** Northeast Solar is the local choice for quality photovoltaic installation and our service has been recognized, year after year. As always, we're just a 413 phone call away and always ready to talk solar.
