*Terms and Conditions

- Terms and conditions can change at any time
- Cannot be combined with any other promotion or discount
- Bonus is capped at \$500 per installation
- Customer or business going solar must confirm who referral person is at the time of contract signing. Customer must fill out referral form so NES can notify recipient of referral fee they are to receive. Referrals confirmed after contract signing are not eligible to receive referral bonus.
- Referral fee can be split between multiple people
- Referral can be treated as income and is subject to taxation
- Certain municipal and/or county employees may not qualify for referral bonus due to conflicts of interest
- Systems larger than 5kW receive a maximum \$500 referral fee. Systems smaller than 4.99kW receive a maximum \$250 referral fee.
